

THANK YOU!

Because of your generosity, our team was able to serve with SOS (Service Over Self) in Memphis over Spring Break!

Over the course of the week, we were able to restore the roof of a woman named Miss Cora. Her roof was in pretty rough shape when we arrived. We removed the shingles, fixed up the wood underneath, and installed some underlayment to protect from water. We put on new shingles, cleaned out her attic, and set her up with some new insulation. It was amazing to have the opportunity to meet her needs in this way. Thank you for all you did to get us there!

Another person we met in Memphis was a man named Mario! We met him on our way to work on our last day. Mario was pushing carts of scrap metal to a scrap yard. Our SOS staff leader, knowing that the scrap yard was a long walk away, pulled over to see how we could help Mario. We introduced ourselves and asked if there was anything we could do to serve him. In the end, the staff leader drove him to the scrap yard so he wouldn't have to walk all that way. He also gave Mario and his girlfriend Pinky jobs working with us for the day. They helped us work on our last project, which was cleaning up a nearby lot that had become overgrown. We picked up garbage and cleared out the overgrown foliage, and Mario and Pinky worked hard alongside us. We are so thankful we had the opportunity to meet them and hear a bit of their stories!

We're so grateful for your prayer and your giving that made this experience possible.

"He is the Maker of heaven and earth, the sea, and everything in them— he remains faithful forever. He upholds the cause of the oppressed and gives food to the hungry. The Lord sets prisoners free, the Lord gives sight to the blind, the Lord lifts up those who are bowed down, the Lord loves the righteous. The Lord watches over the foreigner and sustains the fatherless and the widow, but he frustrates the ways of the wicked."
